MISSION

Pro-bono mentoring and advising for middle-market business owners

WHAT IS CRT?

Chairmen's RoundTable (CRT) is a nonprofit organization comprised of former CEOs and successfully-exited business owners dedicated to strengthening San Diego's business community, one company at a time. Our experts have run everything from start-ups to multinational corporations across a wide range of industries. We provide extensive knowledge in every discipline, including finance, sales, marketing, operations, real estate, human resources, and exit/succession.

CRT provides world-class mentoring and advising worth thousands of dollars on the open market. We know the position owners may be in--needing wisdom available only from someone who's been there before. We see it as our opportunity to give back to the community we all love...with absolutely no charge.

OPPORTUNITIES FOR CRT CLIENTS, MENTORS, AND SPONSORS

- **Clients** meet regularly with a small team of specially chosen mentors. The mentors will advise and coach the CEO for several months identifying strategic issues and challenges. They will help clients discover new opportunities and guide businesses towards potential solutions that can achieve significant results.
- **Mentors** from every industry and discipline share knowledge and pay forward to strengthen the local business community.
- **Sponsors** gain access to some of the world's finest business minds and new opportunities.
